The nine areas from the character's perspective are below: UL UC UR CSL CS CSR DL DC DR</p>	<p>can be used by actors just prior to a performance in the green room. It enables the participants to overcome their fears and become more relaxed and at ease with themselves. The whole group should stand in a circle, holding hands. Then, one person in the circle begins by turning to the person on his/her right and making a face – it could be an emotional face or a funny face. The next person then makes another face and passes it to the person next to him/her, and so on. The expressions should not be copied, but variations of a theme can be explored instead, such as each one thinking of a different emotional or funny face.</p>	<p>Walking tells a lot about a character.
